7 Rules of Accessories

- You shouldn’t have more than 7 points of interest on your body.
- Possible points for men include: bold patterns, non-conservative color, pocket squares, cufflinks, watches, brightly-colored neckties, waistcoats, boutonnieres, braces, brass buttons (on blazer jackets), trendy eyeglasses, necklace belt buckles, and even facial hair.
- The reason is that any more than seven points could be too overwhelming for the eyes.
